

Request for Binding Arbitration

GLENN HEGAR

TEXAS COMPTROLLER OF PUBLIC ACCOUNTS

Do not complete and send this form without first carefully reading these instructions.

Purpose of form: This form may be used to file a request for binding arbitration with an appraisal district concerning a dispute of an appraisal review board (ARB) order of determination. As an alternative to filing an appeal to district court, a property owner is entitled to appeal through binding arbitration an ARB order that only determines a protest concerning the appraised or market value of property if:

- (1) the property qualifies as the owner's residence homestead under Tax Code Section 11.13, or the appraised or market value of the property as determined by the appraisal review board order of determination is \$5 million or less; and
- (2) the protest was filed under Tax Code Section 41.41(a)(1) (appraised or market value) or Tax Code Section 41.41(a)(2) (unequal appraisal).

When and what to file: A property owner or agent must file the following with the appraisal district not later than the 45th day after the date the property owner receives the ARB order determining protest:

- (1) a completed request for binding arbitration using this form;
- (2) a deposit in the required amount (Chart I) by **cashier's check or money order** payable to the Texas Comptroller of Public Accounts (a deposit is required for each request for arbitration); and
- (3) a copy of the ARB order determining protest for the property for which binding arbitration is requested.

Failure to remit the proper type and amount of payment will result in the automatic rejection of the request(s) for binding arbitration.

	Residence Homestead	Appraised/Market Value per ARB Order	Deposit Amount
	Residence Homestead	\$500,000 or less	\$450
Chart 1	Residence Homestead	More than \$500,000	\$500
Chart 1	Not Residence Homestead	\$1 million or less	\$500
Required	Not Residence Homestead	More than \$1 million but not more than \$2 million	\$800
Deposit	Not Residence Homestead	More than \$2 million but not more than \$3 million	\$1,050
	Not Residence Homestead	More than \$3 million but not more than \$5 million	\$1,550

Where to file: This form and the required deposit must be filed with the county appraisal district that appraised the property for which arbitration is requested. Do not file the request with the Comptroller of Public Accounts.

For assistance: If you have any questions about this application, contact the Texas Comptroller's office at 800-252-9121 (press 2), 512-305-9999 or ptad.cpa@cpa.texas.gov. Additional information can be found at comptroller.texas.gov/taxes/property-tax/arbitration/index.php.

Other important information: Expenses incurred by the property owner in preparing for and attending the arbitration are the owner's responsibility. The arbitration deposit may only be used to pay for the cost of the arbitrator and the Comptroller's \$50 administrative fee. The deposit minus the Comptroller's fee will be refunded to the property owner if the arbitrator determines that the value is nearer to the property owner's opinion of value stated in the request for binding arbitration than the value as determined by the ARB.

A property owner who fails to strictly comply with legal requirements waives the property owner's right to request binding arbitration. A property owner who appeals to district court an ARB order determining a protest concerning appraised or market value waives the owner's right to request binding arbitration. An arbitrator shall dismiss any pending arbitration proceeding if the property owner's rights are waived. The deposit may not be refunded if the arbitration is dismissed under this circumstance.

The taxes on the property that are the subject of the arbitration must not be delinquent. Taxes are not delinquent if all amounts due for prior years have been paid and the undisputed tax amount for the year at issue was paid before the statutory delinquency date. If taxes are delinquent, the arbitration will be dismissed with prejudice. A property owner, however, will receive a refund of all but the administrative costs, if the arbitration is dismissed under this circumstance.

Laws: The request for binding arbitration process is established by Tax Code Chapter 41A. Requests for arbitration to appeal ARB orders issued for the 2017 tax year and earlier are governed by Comptroller Rule 9.804 and requests to appeal ARB orders issued for the 2018 tax year and later are governed by Comptroller Rules 9.4251 through 9.4266 [34 Texas Adminstrative Code Sections 9.804 and 9.4251-9.4266].

In compliance with the Americans with Disabilities Act, this document may be requested in alternative formats by calling 800-252-9121 (press 2).

Specific Instructions

This form is designed for use by property owners or agents, appraisal districts and the Comptroller's office. Only complete the part of the form that applies to you.

Arbitrating Contiguous Tracts of Land: You may arbitrate more than one tract of land for a single deposit, provided they are contiguous to one another. Please indicate if you choose to arbitrate contiguous tracts of land in box 16a and follow the directions before filling out the rest of the form. The deposit for arbitration of contiguous tracts of land is based on the value for the single highest valued tract of land.

Properties Valued at More Than \$5 Million: To arbitrate a property valued at more than \$5 million by the ARB, the property must qualify as the property owner's residence homestead under Tax Code Section 11.13.

For Property Owners or Agents

Complete the yellow portion of the form, items 1 through 23 as applicable, and sign it. You must type or print in black ink so that the information can be scanned. Information for each applicable item must be provided so that your request can be processed in a timely fashion. A copy of the ARB order determining protest for the property for which binding arbitration is requested must be attached. Agents must submit a written authorization signed by the property owner on Comptroller Form 50-791 that states the specific authority given to the agent for this request for binding arbitration. An agent's fiduciary form used for representation at the appraisal district or ARB will not be accepted.

Any refund to an owner or agent is subject to the provisions of Government Code Section 403.055 and related statutory provisions and rules. The federal Social Security Number, Comptroller-issued Texas Identification Number (TIN) or federal Individual Taxpayer Identification Number (ITIN) for an individual payee and either a Federal Employer Identification Number (FEIN) or TIN for a business payee authorized to receive deposit refunds is required in the Request for Binding Arbitration.

For Contiguous Arbitration: You must fill out a separate copy of page 2 on each contiguous tract of land to be arbitrated. A copy of the ARB order determining protest for each tract of land for which binding arbitration is requested must be attached. Enter an individual value you believe is correct for each contiguous tract of land to be arbitrated. The Comptroller's office will calculate the total value of all the tracts that will be used to determine who pays the arbitrator's fee. Comptroller Rule 9.4252(g) defines when two or more tracts of land qualify as contiguous for arbitration.

For Appraisal Districts

Appraisal districts complete the green shaded first line on page 1 of the form by providing the deposit amount, appraisal district number, last two digits of the tax year and the appraisal district number assigned to this arbitration request.

Appraisal Districts, complete the green shaded bottom portion of the form beginning with line 1 on page 2. You must provide the value determined by the ARB for the subject property, the geographic identification number (GEO#) and record identification number (R#). It is important that the order indicates the ARB certified appraised or market value of the subject property pursuant to Tax Code Section 41.41(a)(1) or (2). Any other determination cannot be the subject of an arbitration proceeding.

Check the applicable boxes concerning the request for binding arbitration. By checking the boxes, you are certifying the validity of the inquiries; therefore, care must be taken in the responses. The chief appraiser or designated appraisal district employee must sign the form in order to finalize the certification required by law.

For Contiguous Arbitration: You must fill out a separate copy of page 2 on each tract of land to be arbitrated. Enter in the individual ARB value for each tract of land to be arbitrated. The Comptroller's office will calculate the total value of all the tracts that will be used to determine who pays the arbitrator's fee.
